ZONING BYLAW AMENDMENTS

ARTICLE 30: Amend Open Space Mixed Use Overlay District to replace 200,000 sq. ft of commercial with 180 age restricted units

Sponsor: Planning Board

To see if the Town will vote to amend Article XXVI, Open Space Mixed Use Development Overlay District, of the Zoning Bylaws as follows:

1. Amend § 210-163(B) by inserting the following item 1:

(1) Article XVIA (Senior Housing Development) and renumbering the remaining items appropriately.
2. Insert in alphabetical order into § 210-164, Definitions, the following definition:

SENIOR HOUSING DEVELOPMENT - A multifamily residential land use consisting of multiple dwelling units on one single contiguous parcel, operated with the intent that at least one resident of every unit be 55 years of age or older.
3. Amend the table in § 210-165, Uses, by deleting the row beginning with the term "Multifamily Dwellings" and inserting, in place thereof, a row beginning with the term "Multifamily Dwellings other than Senior Housing Developments" that has a "Y" in the columns for the Residential Subdistrict, the Commercial Subdistrict and the Village Center Subdistrict.
4. Further amend the table in § 210-165, Uses, by deleting the "SP" in the Commercial Subdistrict column for the row beginning with the term "Attached dwellings including garden apartments", and insert therefore a "Y".
5. Further amend the table in § 210-165, Uses, by deleting the row beginning with the term "Senior Housing" and inserting, in place thereof, a row beginning with the term "Senior Housing Development" that has a "Y" in the column for the Residential Subdistrict, a "Y" in the column for the Commercial Subdistrict and a "Y" in the column for the Village Center Subdistrict.
6. Amend § 210-166, Intensity of Use Limitations, by deleting the first paragraph of subsection A and inserting a new subsection A as follows:

A. Dwelling Uses within the OSMUD District shall be limited to 940 new Dwelling Units constructed after May 5, 2008, plus 180 Dwelling Units in Senior Housing Developments constructed after May 4, 2015, provided, however, that the owner or owners of any such additional Dwelling Unit in Senior Housing Developments shall require, through deed restrictions, condominium documents, leases, rental agreements or other appropriate instruments, the form and adequacy of which has been approved by the Planning Board, that no child under the age of 18 may be a resident in any such Dwelling Unit. No more than 50 of the 1120 new Dwelling Units so constructed may be single-family dwellings, and the remainder shall be multi-family dwellings, including attached dwellings, garden apartments, units in mixed-use buildings and Senior Housing Developments.

Neither the dwellings located at 80, 82, 83 nor 90 East Main Street or 26 Clinton Street, nor the Group Home located at 44 Wilson Street, all of which were in existence as of the effective date of this Article, shall be deemed to be a Dwelling Unit for the purposes of this Intensity of Use limitation. However, in the event that any such dwelling is converted to or reconstructed as a multi-family dwelling use, the resulting number of Dwelling Units in excess of one (1) on any such property shall be counted towards the Intensity of Use limitation.

No Accessory Family Dwelling Unit for which the Board of Appeals grants a Special Permit pursuant to § 210-126 shall be deemed to be a separate Dwelling Unit for purposes of this Intensity of Use limitation.

7. Amend § 210-167, Affordable Housing, by deleting subsection A in its entirety and inserting a new subsection A as follows:

A. Except as otherwise provided in the following paragraph of this Section, not fewer than sixty (60) Dwelling Units within the OSMUD District shall be Affordable Housing, which shall be located within one or more Development Projects containing, in the aggregate, not fewer than two hundred forty (240) Dwelling Units eligible for inclusion in the Massachusetts Department of Housing and Community Development's Subsidized Housing Inventory. These requirements shall be in addition to the Affordable Housing requirements provided in Subsection C of this Section.

Notwithstanding the foregoing, if, prior to the issuance of a building permit for a Development Project that contains Affordable Housing, either (i) M.G.L. c. 40B, §§ 20 through 23 is no longer in effect, or (ii) the rules, regulations or guidelines of the Massachusetts Department of Housing and Community Development issued pursuant to M.G.L. c. 40B, §§ 20 through 23 no longer provide that all of the units in a rental development that contains at least 25% affordable housing units are eligible for inclusion on the Subsidized Housing Inventory, then not fewer than ninety-four (94) Dwelling Units within the OSMUD District shall be developed as Affordable Housing, in addition to the Affordable Housing requirements provided in Subsection C of this Section.

8. Add a new subsection C to § 210-167 as follows:

C. In addition to the Affordable Housing requirements provided in Subsection A of this Section, to the extent that the Senior Housing Developments create a total number of Dwelling Units within the OSMUD District in excess of 940, those Senior Housing Developments shall require the provision of, in the aggregate, one Dwelling Unit of Affordable Housing for every 10 Dwelling Units in Senior Housing Developments, but not to exceed twenty (18) Dwelling Units of Affordable Housing in the aggregate. The additional Dwelling Units of Affordable Housing required under this section may be provided anywhere within the OSMUD District.

9. Amend § 210-168, Dimensional Requirements by changing the tables in subsections A and B by altering the column headings to read "Residential Subdistrict (R) and Commercial Subdistrict (C) [Dwelling Uses]", "Commercial Subdistrict (C) [Commercial Uses]" and "Village Center Subdistrict (VC)".

10. Further amend § 210-168, subsection A by deleting the second sentence following the table and beginning with the words "When a Commercial Subdistrict..." in its entirety and replacing it with the following:

When a Commercial Subdistrict abuts a Residential Subdistrict within the OSMUD District, a setback of at least 50 feet between buildings in the Commercial Subdistrict used for commercial purposes and the boundary of the Residential Subdistrict shall be provided.

11. Amend § 210-168, subsection C by deleting the first sentence in its entirety and replacing it with the following:

All buildings in the Commercial Subdistrict used for commercial purposes shall be located a minimum of 100 feet from any lot outside the OSMUD District used for residential purposes at the time of the Site Plan Review application.

12. Add a new subsection D(5) to Section 210-173 as follows:

(5) Adequate mitigation has been provided with respect to any conditions impacting on-site safety, whether such conditions are created on-site or off-site.

13. Delete subsection C of § 210-175 in its entirety and inserting, in place thereof, a new item subsection C as follows:

C. All land within the OSMUD District shall be subject to the provisions of this Chapter as in effect on the effective date of the amendments added to this Chapter by the 2015 Annual Town Meeting.

Pass any vote or take any act relative thereto.

To see if the Town will vote to amend Article XX, Site Plan Review, by deleting subsection N from § 210-136.1 in its entirety and inserting a new subsection N as follows:

N. Levels of illumination shall be provided as follows:

1. No property may have exterior lighting that exceeds the average illumination level recommended by the Illuminating Engineering Society of North America for such use as set forth in "Lighting Facilities for Parking Facilities," Illuminating Engineering Society, 2014 and "The Lighting Handbook," 10th Ed., Illuminating Engineering Society, 2011.
2. For pole mounted lights in parking and driveway areas, the height of the light source shall not exceed 15 feet, which shall be measured from the ground at the base of the pole to the bottom of the fixture.
3. Pedestrian area lighting shall utilize fully shielded fixtures, and the height of light source shall not exceed 12 feet, measured from the ground at the base of the pole to the bottom of the fixture.
4. No exterior lighting may interfere with the safe movement of motor vehicles on public ways or private ways open to the public.
5. Mercury vapor lamps shall be prohibited.
6. Uplighting shall be permitted only when used in one of the following manners:
 - (a) To light a primary entrance, when the fixture or lamp is wall-mounted under an architectural element (e.g., roofs over walkways, entries or overhanging, nontranslucent eaves) so that the uplighting is fully captured;
 - (b) To light local, state or national flags; or
 - (c) To highlight or illuminate a building facade or landscaping, or to highlight or illuminate statues or monuments.
7. Floodlighting shall be permitted only if a fully shielded fixture is utilized and no lighting will fall onto the property of others.
8. Safety and security lighting shall use motion sensors, photocells, or photocells or timers to control duration of nighttime illumination.
9. Exterior lighting of recreation facilities shall utilize fully shielded fixtures and, except as authorized by Special Permit or Site Plan Approval, shall be turned off by 10:00 p.m. or at the conclusion of an activity begun before 10:00 p.m.; provided, however, that in any event the exterior lighting shall be turned off by midnight.

10. Blinking, flashing, moving, revolving and flickering lights, as well as lighting that changes intensity or color shall be prohibited except for lighting for public safety or traffic control and lighting required by the U.S. Federal Aviation Administration for air traffic control and warning purposes.
11. Notwithstanding any provisions of this subsection to the contrary, sidewalks that run along the perimeter of a site and are in a public right of way or on abutting property may be illuminated, and illumination may spill onto abutting non-residential property if requested in writing by the abutting property owner.

Exterior lighting that does not conform to the provisions of this subsection may be allowed by special permit from the Planning Board if the Planning Board finds that such exterior lighting will be consistent with the Purposes of this Article, or that there are other demonstrable community, health, safety or welfare benefits that will be served by the exterior lighting. No special permit may be granted pursuant to this subsection unless the Planning Board determines that the proposed exterior lighting is appropriate for the size and use of the property, any buildings thereon, and the neighborhood setting.

Pass any vote or take any act relative thereto.

- B. The SPGA shall adopt rules not inconsistent with the General Laws and the provisions of this Chapter for conducting its business and shall file a copy thereof with the Town Clerk.
- C. A Special Permit shall lapse within two years of the grant thereof unless good cause is shown why substantial use thereof, or related construction, has not begun; provided, however, that an applicant may request an extension of the term of a Special Permit from the SPGA, and the SPGA may extend such term as it deems appropriate.
- D. Public hearings on all applications for Special Permits shall be held in accordance with MGL c. 40A, § 11.
- E. The decision of the SPGA shall be made within 90 days after the close of the public hearing. The required time limits for a public hearing and the filing of a decision may be extended by written agreement between the applicant and the SPGA, and shall be filed with the Town Clerk.
- F. Failure of the SPGA to act within the specified period shall be deemed to be a grant of the Special Permit.
- G. Unless otherwise specified in this Chapter, a special permit may be granted only if the SPGA determines that:
 - (1) All applicable criteria and standards set forth in this Chapter have been satisfied, and
 - (2) Grant of the Special Permit will be in harmony with the general purpose and intent of this Chapter.
- H. In reviewing an application for a Special Permit, the SPGA shall give due consideration to promoting the public health, safety, convenience and welfare; and shall not permit a use that is injurious, noxious, offensive or detrimental to its neighborhood except as otherwise specified in this Chapter.
- I. Special permits shall be subject to whatever appropriate conditions and safeguards the SPGA may prescribe.
